

QLK®

DOCK. DRIVE. DISCOVER. THE ULTIMATE DOCKING SYSTEM

Your Safety in Mind

The QLK continues our tradition of relentless testing and development. A first for docking systems, it is tested in Forward, Rearward and Sideways configuration knowing that every installation is unique. Also a first, the QLK is the first and only docking system to pass the crash test specifications per WC19 standards - the next generation of crash-tested wheelchair designs

YOUR INDEPENDENCE STARTS HERE!

QLK BRACKETS

Independent wheelchair securement with a complete lineup of brackets **for today's most popular chairs.**

Please contact your dealer for more information
